The annual Picnic with the Bishop will be here before you know it. This picnic is a time for young people to be with people their age, spend some quality time with Bishop Thompson and listen to some folks speak on their experiences within their vocation. Anyone who will be in high school in the Fall of 2017 is welcome to come and enjoy this wonderful evening. Those interested in attending, should contact their parish or Marilyn Durchholz (mdurchholz@evdio.org or 424-5536) to make a reservation.

Please RSVP by Friday, May 26.
