

PILGRIM'S PRAYER FOR LIFE

Almighty and Eternal God: You are the source of all life. You alone have dominion over it.

The life and relationship with which you endowed Adam and Eve were tarnished when they turned away from You. But through His life, death and Resurrection, Your Son, Jesus Christ, made us Your adopted Children!

Now, we freely turn to you, our Father, as faithful daughters and sons, and we call on you with confidence, courage, and a great sense of urgency.

As Herod chose to kill baby boys for fear of a king who would challenge him, today, under the guise of convenience, the selective killing of the unborn continues.

We implore you: Send Your Spirit to guide us as we make pilgrimage to proclaim your message of life. Each person, born and unborn, is a reminder of your ancient instruction: Choose Life!

Be with us. Walk with us. Give us courage and perseverance in our abiding efforts at this time of pilgrimage and beyond.

Bless us this day, and grant us safe passage on this Pilgrimage for Life.

+Amen!
